

Based on the Regulation on tuition fees, provisions of Article 25, paragraph 4, point F, as well as Article 54 of the Statute of UBT College and in accordance with Article 30, paragraph 5 of Law no. 04 / L-037 on Higher Education in the Republic of Kosovo Regulation on the organization of studies, the Rector of UBT approved this:

### DECISION

I. Tuition fees for students who enroll in the academic year 2021/2022, are as follows:

- At the Bachelor level the payment for one academic year is € 1,200, with the exception of payments for programs for which it is decided differently with this decision;
- At the Master level the payment for one academic year is € 1,500;
- In the study program Pharmacy and Dentistry the payment for one academic year is 4000 €;
- The fee for an academic year is 1800 €, in study programs, as follows::
  - a) Modern Music, Digital Production and Management;
  - b) Anesthesiology Technician
  - c) Radiology Technician.
- The fee for one academic year is 1500 €, in study programs, as follows:
  - a) Arts and Digital Media payment for one academic year is 1 500 €;
  - b) Nurse payment for one academic year is 1 500 €;

II. For the academic year 2021/2022, UBT College offers scholarships - discount on the registration price of basic studies according to the following criteria:

- Students who have achieved 100% in the national test and have all five (5) in prior education, 50% discount per academic year (for the first academic year of enrollment, the same scholarship is extended only to students who in the terms of regular exams to have completed all exams of the respective year with an average grade of 9.00 and above);
- Students with excellent success, 20% discount (for the first academic year of studies, the same scholarship continues only for students who in the regular exam deadlines have completed all the exams of the respective year with a grade point average of 9.00 e above);
- Students from the families of war martyrs, a discount of 15% (this discount is valid only for the first academic year of studies. Students whose after the first year of studies in the regular exam deadlines have completed all exams of the respective year with an average grade of 9.00 and above, benefit from a 20% discount from the base price);

•

- Students employed in the Kosovo Security Force, 10% discount (this discount is valid only for the first academic year of studies. Students whose after the first year of studies in the regular exam deadlines have completed all exams the respective year with an average grade of 9.00 and above, benefit from a discount of 20% of the base price);
- Students employed in Kosovo Customs, 10% discount (this discount is valid only for the first academic year of studies. Students whose after the first year of studies in the regular exam deadlines have completed all exams of the respective year with average grade 9.00 and above, benefit from a 20% discount from the base price);
- Students employed in the Kosovo Police, 10% discount (this discount is valid only for the first academic year of studies. Students whose after the first year of studies in the regular exam deadlines have completed all exams of the respective year with an average grade of 9.00 and above, benefit from a 20% discount from the base price);
- Students employed in public institutions of the Republic of Kosovo, discount of 10% (this discount is valid only for the first academic year of studies). Students whose after the first year of studies in the regular exam deadlines have completed all exams the respective year with an average grade of 9.00 and above, benefit from a discount of 20% of the base price);
- Students coming from the same family circle, 10% discount (for the entire study program);
- Students who enroll in a group (over 5 people), 10% discount (for the entire study program);
- Students who enroll in a group (over 30 people), a discount of 15%, while those who have excellent success receive a maximum of 25% discount (for the entire study program);
- Students who pay the full amount of the fee, a discount of 15% (of the amount paid for the academic year);
- Students who pay the full amount of payment and are beneficiaries of any of the scholarships of this decision, receive a discount of 5% (of the amount paid for the academic year);
- Students who enroll in UBT and are not citizens of the Republic of Kosovo (Presevo, Medvedja, Bujanovac, as well as from Montenegro or are foreign citizens) will have a discount of 15% (of the amount paid for the academic year) ;
- Students participating in the preparatory program (students of this discount group are confirmed by the UBT official), 15% discount (for the entire study program);
- Students who come from social categories and who present status evidence from the relevant institutions, the rector with a special decision examines the possibility of offering a discount for studies.

- III. At the master level the discount for studies in total of 30% is applied to students who have completed basic studies at UBT and continue at the master level at UBT, while no other discount can be applied.
- IV. The Rector reserves the right to approve special cases of deductions.
- V. The student who during the studies loses the criteria for which he has benefited the scholarship, returns to the basic payment defined in the first paragraph of this decision.

- VI. The deduction stated in this decision does not apply to the programs Nursing, Radiology Technician, Anesthesiology Technician, Modern Music, Digital Production and Management, Digital Arts and Media, Dentistry and Pharmacy.
- VII. The student who meets the above criteria, can qualify for only one of the discounts (except when the student is a beneficiary of any of the discounts listed above and makes the full payment for the academic year, receives a 5% additional discount ), and two or more discounts cannot be applied at the same time.
- VIII. Payment of the amount of studies for the academic year 2021/2022 is made with a maximum of 12 equal monthly installments, in which case the student realizes the first two installments upon registration, while the rest is divided into equal installments.
- IX. The implementation of this decision is taken care of by the UBT Service.
- X. The decision enters into force on the day of its signing.
